Day 1- Scramble Golf

Scramble format involves 2-person teams where each player on the team hits a tee shot, and then the players decide which shot they like better. The two players then play from that spot. The person whose shot was not taken picks up their ball and moves it to within one club length of the selected spot. Once the spot is selected, both players then play a shot from that spot, and again pick the one which they like better. This continues until hole out.

Important rules: players are allowed to place their ball within one club length of the selected spot (no closer to the hole). Additionally, players cannot change which cut of grass their ball is in (i.e. you cannot place your ball in the fairway if your marker is in the rough). The players proceed in a similar fashion for each shot until they hole out.
